## ■ SCOPE OF SYMPOSIUM

The Asian SOFC Symposium will provide an international forum and exhibition for scientists, engineers and technologists to discuss the latest developments and share knowledge in the discipline of Solid Oxide Fuel Cell and Electrolysis Cell. This meeting will also promote the collaboration among the people interested in the developments of SOFC and SOEC. The Asian SOFC Symposium has been held every two years in Korea, China, and Japan. Now, the venue has moved to Korea. Participants not only from Asia but also from outside region are all invited to attend this symposium in Jeju, Korea.

## ■ VENUE

Maison Glad Hotel (<https://ora.oraesort.com>), situated in Jeju, is close to Jeju Halla General Hospital, Halla Arboretum, and Jeju Stadium. Local attractions also include Iho Beach and Jeju Museum of Art. Jeju Island is the largest volcanic island in Korea and it has a mild oceanic climate throughout the year with the smallest annual temperature range in Korea.

## ■ REGISTRATION

A special registration package will be available to all participants in this conference, which will include meeting registration, conference proceedings, reception and banquet, complete coffee break service, and possibly other events (Exhibition is planned). Details of this registration package will be announced at the conference homepage ([www.2020asiansofc.or.kr](http://www.2020asiansofc.or.kr)).
